

DEAR STUDIO FAMILIES:

We are looking forward with great anticipation to our year-end show **"Short Stories and Tall Tales"**. We are delighted to be back to the Genesis Theatre stage for our annual production!

The energy before show time is contagious - dancers and teachers are hard at work and our scenery volunteer team is busy constructing and creating. We look forward to having our families in the audience as well as having our parents involved with volunteering backstage once again! Online ticket sales open May 16th and we will have five shows. Please double check to see which performances your dancer will be in.

For the remaining weeks leading up to the show, excellent class attendance is required. We need everyone to attend their classes so that every student and every class goes on stage with confidence. Dancers, please review your numbers at home.

We appreciate you taking the time to read through this newsletter and thank dancers and parents for your commitment and extra efforts at this busy time. We look forward to having your friends and family enjoy our big finale to the dance year!

Warmly, Lesley Benham and the Deas Island Dance team
